

Happy New Year

HAPPY NEW YEAR

The festive season is almost over for another twelve months and what a year it has been !

Europe and America have seen mass retrenchments of workers and 'Fire Sales' of mortgagee properties.

Here in Australia (and more so in Perth) we are in the best possible position to weather the financial crisis.

The World Bank recently published figures related to the reliability of the banking systems in all countries.

Australia was number 3 – USA number 48 – UK number 54.

Good News !

The Post Xmas Sales this January will be bigger than ever.

In uncertain times retailers heavily discount stock and this year will be a buyers dream.

We believe Harvey Norman will be selling BIG plasma and LCD television sets at really cheap prices - due to a world over supply.

The Stock market has some Blue Chip shares at very attractive prices and there are some bargains in Real Estate.

BROOKE STONE REAL ESTATE

Brooke Stone Real Estate is looking forward to a great 2009.

This year should see the real estate sales market bounce back and the rental market will continue to grow stronger.

There is a high demand for unfurnished rental properties in the northern suburbs - especially around Joondalup City.

Please recommend any owners with properties who are looking for an excellent, service orientated company.
